2011 Stallion Tender

Maf-Ue Shaienne

Comments:

S18959 Purebred Arabian Stallion
DOB: 18 January 1996
Colour: Bay

Shaienne has a gorgeous short dishy head that catches the eye, lovely small tippy ears and expressive kind eyes. He has a great body with a lovely level topline and strong hindquarters. He is blessed with incredible movement.

As a breeding stallion he is excelling, he has had part Arabian stock out working in pony club and trail riding as are several of his purebreds with some of the older ones now going into endurance. Shaienne's show stock have also done him proud, with several having first placings at A class shows, an East Coast Res. Champion Stallion, Champion Filly at Brisbane Royal Show, Supreme at Youngstock show, & many championships at agricultural shows. All of Shaienne's foals seem to get his wonderful temperament and most get his good looks.
